

## **Nazareth Academy Student-Athlete Signing Days**

Nazareth Academy has a long legacy of student-athletes who choose to continue playing at the collegiate level. We celebrate these seniors in conjunction with National Letter of Intent Signing Days in November, February and April. Please note Nazareth does not do an official celebration of the December Early Signing Day. Nazareth's celebrations are a mix of an online effort on Signing Day (via the Communications Department) and in-person photo opportunity prior to Signing Day (via the Athletics Department).

All official college signing communication will be done in cooperation between Guidance, Communications, Athletics and Administration. Student-Athletes who officially represent Nazareth Academy in their senior year submit all paperwork to Guidance. Student-Athletes who represent a club or travel team may submit their paperwork to Guidance and may be included based on a case by case review. The counselor notifies Communications & Athletics.

Students must provide paperwork, photos and quotes in accordance to established deadlines in order to be included in either online or in-person celebrations. Requirements will be communicated upon submission of paperwork to Guidance.

All student-athlete signing posts are subject to administrative approval.
